IN REPLYING PLEASE REFER TO

Mr. Allen W. Dulles,
48 Wall Street,
New York, New York.

Dear Mr. Dulles:

A few days ago Dr. Hans Bernd Gisevius opened an account with us and at the time he informed us that he is a former German, now stateless, who we understand has arrived recently in this country from Zurich, Switzerland. As Mr. Gisevius is not personally well known to us, we shall greatly value and maintain in strict confidence such information as you may give us regarding his background and general reputation. Any further information which you may care to give us will be appreciated.

We wish to thank you in advance for your cooperation.

Yours very truly,

Alfred Van Horn, Jr.
